"Yes, I Play Chess!" is an event to teach girls and women to play chess. There will be about 50 chess sets along with chess coaches. Chess is an ideal way to teach strategy and critical thinking. This event is intended to be fun and educational. All are welcome to attend (Girls, Boys, Women, Men, non chess players, beginner chess players and seasoned chess players). In the future, when people ask, "Do you play chess?" You can say, "Yes, I Play Chess!"
